Continuing Permission Slip Confirmation

By signing up for this activity, I hereby agree that the Continuing Medical Release and Permission Slip I previously signed and delivered to the Troop 15 Committee applies to this activity and state the following with respect to this activity: I understand that participation in Scouting activities involves a certain degree of risk and can be physically, mentally, and emotionally demanding. I have carefully considered the risk involved and hereby give consent for myself or my child to participate in these activities. I also understand that participation in these activities is entirely voluntary and requires participants to abide by applicable rules and standards of conduct. I release the Boy Scouts of America, the local council, the activity

coordinators, and all employees, volunteers, related parties, or other organizations associated with the activity from any and all claims or liability arising out of this participation. In case of emergency involving my child, I understand every effort will be made to contact me. In the event I cannot be reached, I hereby give my permission to the medical provider selected by the adult leaders in charge to secure proper treatment, including hospitalization, anesthesia, surgery, or injections of medication for my child. Medical providers are authorized to disclose to the adults in charge examination findings, test results, and treatment provided for purposes of medical evaluation of the participant, follow-up and communication with the participant's parents or guardian, and/or determination of the participant's ability to continue in the program activities.
